

# Opening a Book Again

Words to Stay With

# Making this book yours

Return to a book after time away. Begin with a short passage and leave room to continue.

## One sentence at your pace

Look at the illustration, read the quotation, trace the grey models and write in your own hand. Start anywhere. You may skip a line or leave a different thought.

## Print and bind

Use A4 portrait at actual size (100%). For double-sided printing, flip on the long edge: seven sheets per book. Single-sided printing uses fourteen sheets. Bind on the left with staples or rings. This file is not imposed for folded booklet printing.

## Try one page first

Print page 4 to check the two grey models and guide lines. If they are too faint, turn off toner-saving mode and try normal print quality. The line below should measure 10 mm.
