Making this book yours

Read about the process, pleasure, skill and responsibility of work.

One sentence at your pace

Look at the illustration, read the quotation, trace the grey models and write in your own hand. Start anywhere. You may skip a line or leave a different thought.

Print and bind

Use A4 portrait at actual size (100%). For double-sided printing, flip on the long edge: seven sheets per book. Single-sided printing uses fourteen sheets. Bind on the left with staples or rings. This file is not imposed for folded booklet printing.

Try one page first

Print page 4 to check the two grey models and guide lines. If they are too faint, turn off toner-saving mode and try normal print quality. The line below should measure 10 mm.
